This is the famous crown of Rulership! The person who finds it can rule the world!

This is Strongheart, the greatest warrior in the land. With him is Charmay, the beautiful Mistress of Magic.

Garn Graygaze is a gnome of many skills. He often helps Strongheart in his battles against evil.

Warduke is an evil warrior who hates Strongheart.

Kelek and Raven have great magical powers that they use to do evil.

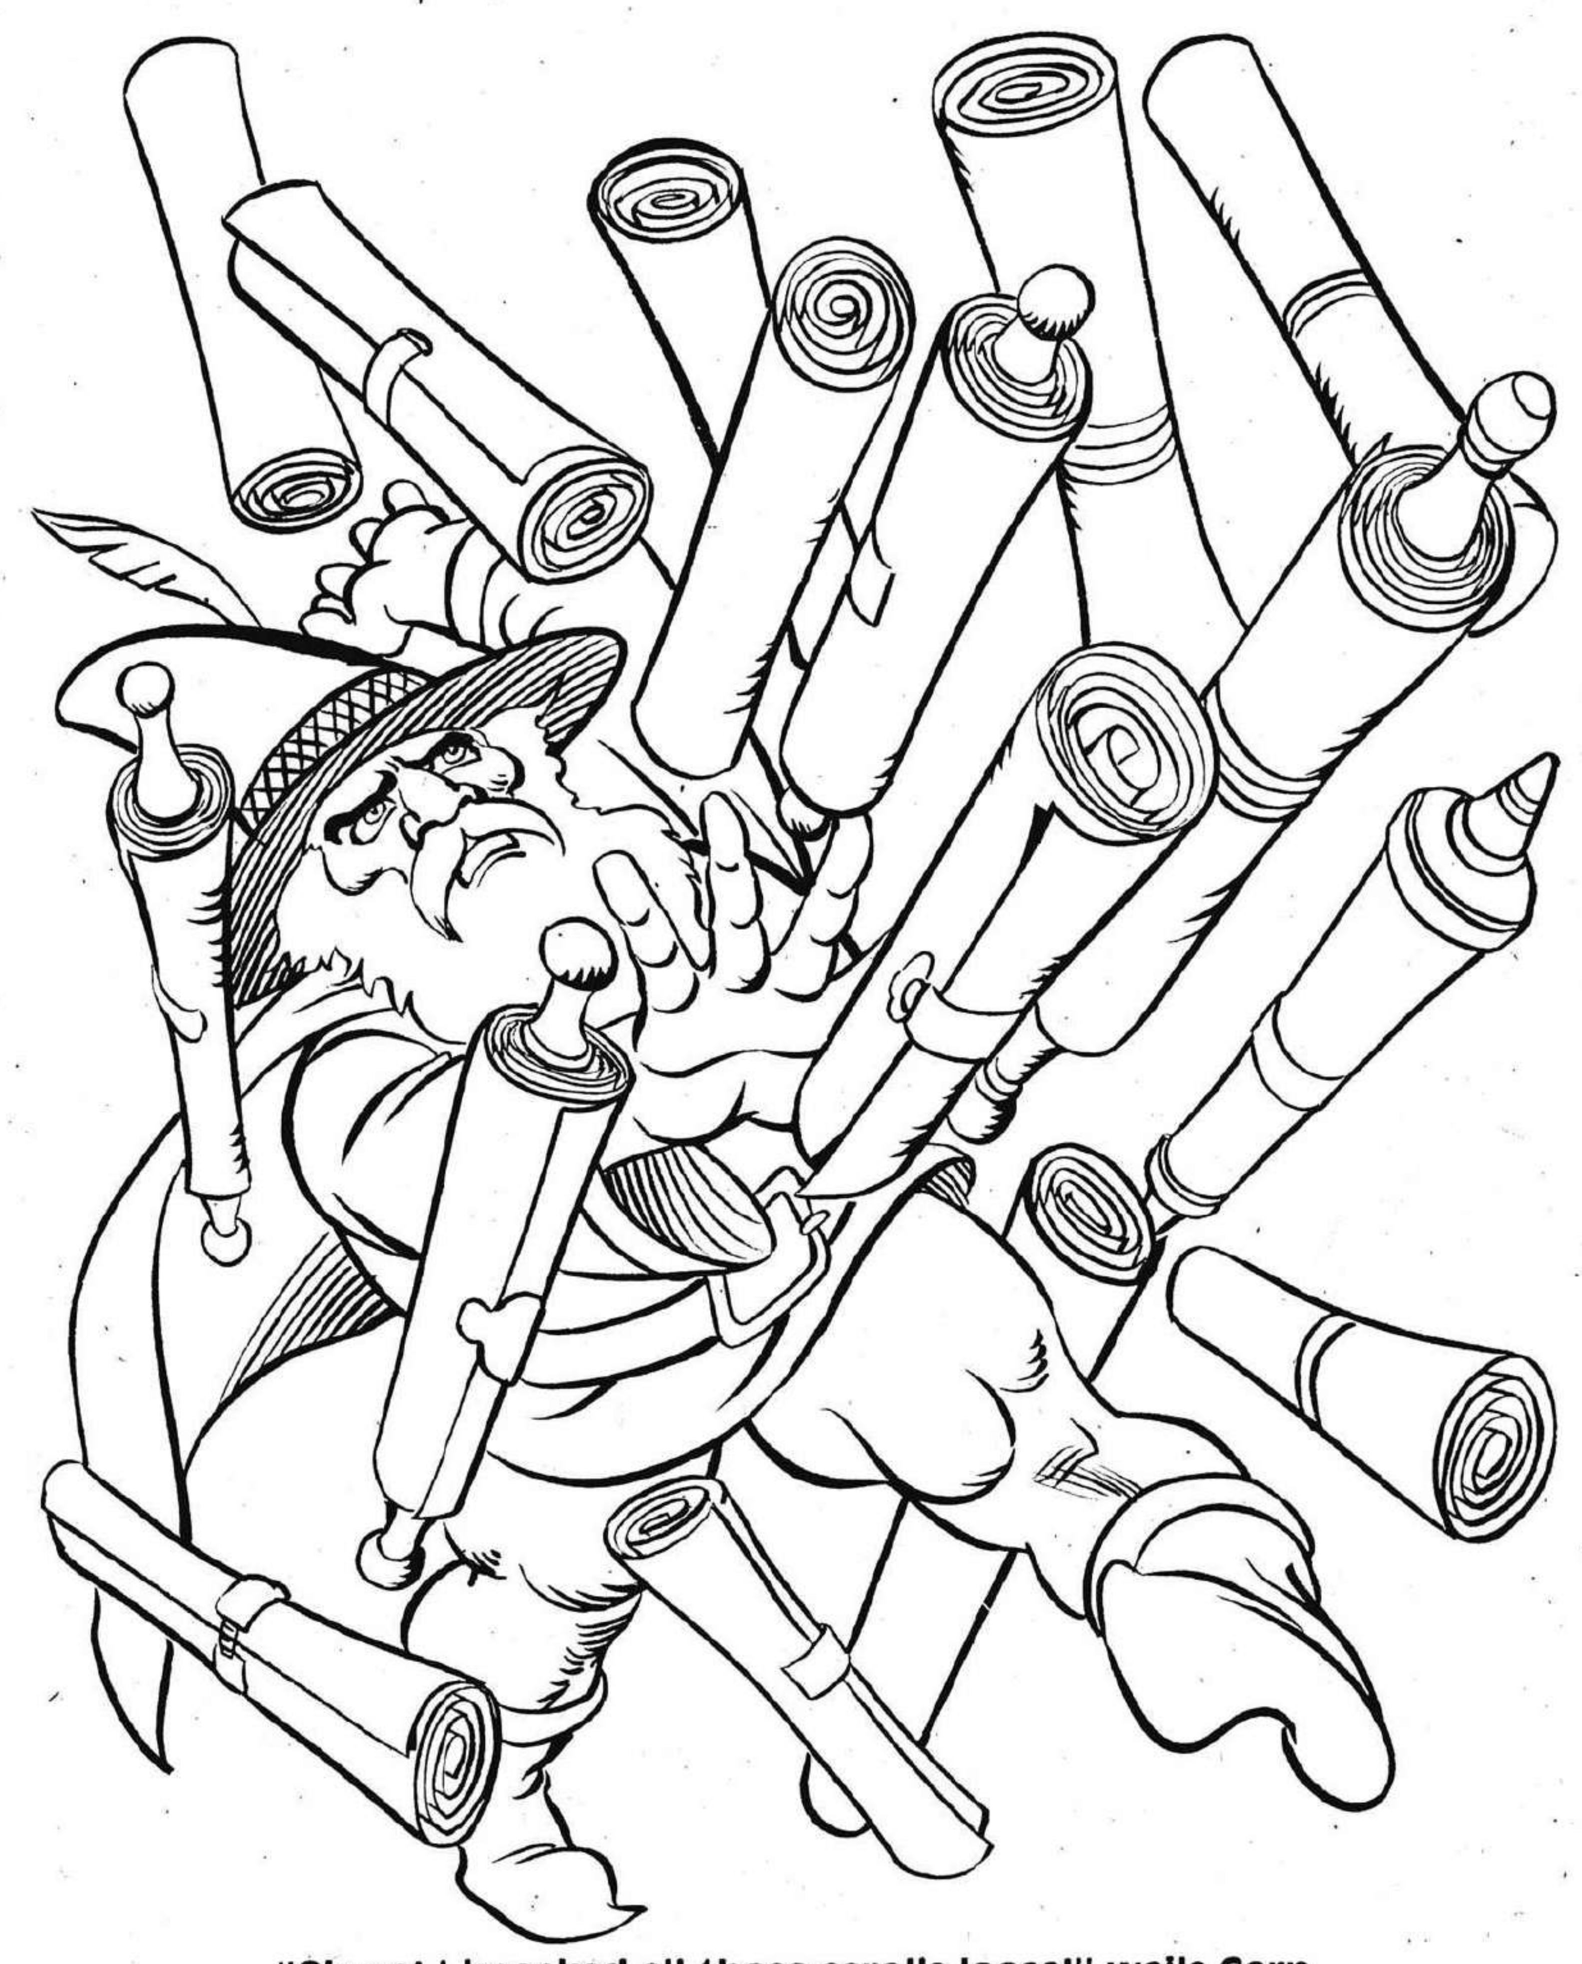

Foxfingers the thief, often helps them with their evil work.

"This potion will make us invisible, Foxfingers.
Drink it, and we can spy on Charmay!"

"Get me the Magic Missile Scroll, please, Garn," says Charmay.

"Oh no! I knocked all those scrolls loose!" wails Garn.

"Can't you keep things tidy?" says Garn grumpily.

"This scroll looks very old! What is it?"

"This is a scroll showing us how to find the Crown of Rulership!"

"That's just what we wanted to hear!" shout Foxfingers and Raven, who are no longer invisible.

"Don't bother giving me the map!" says Foxfingers.
"I'll just take it!"

"Quick, this cloak of flying will take us away!"

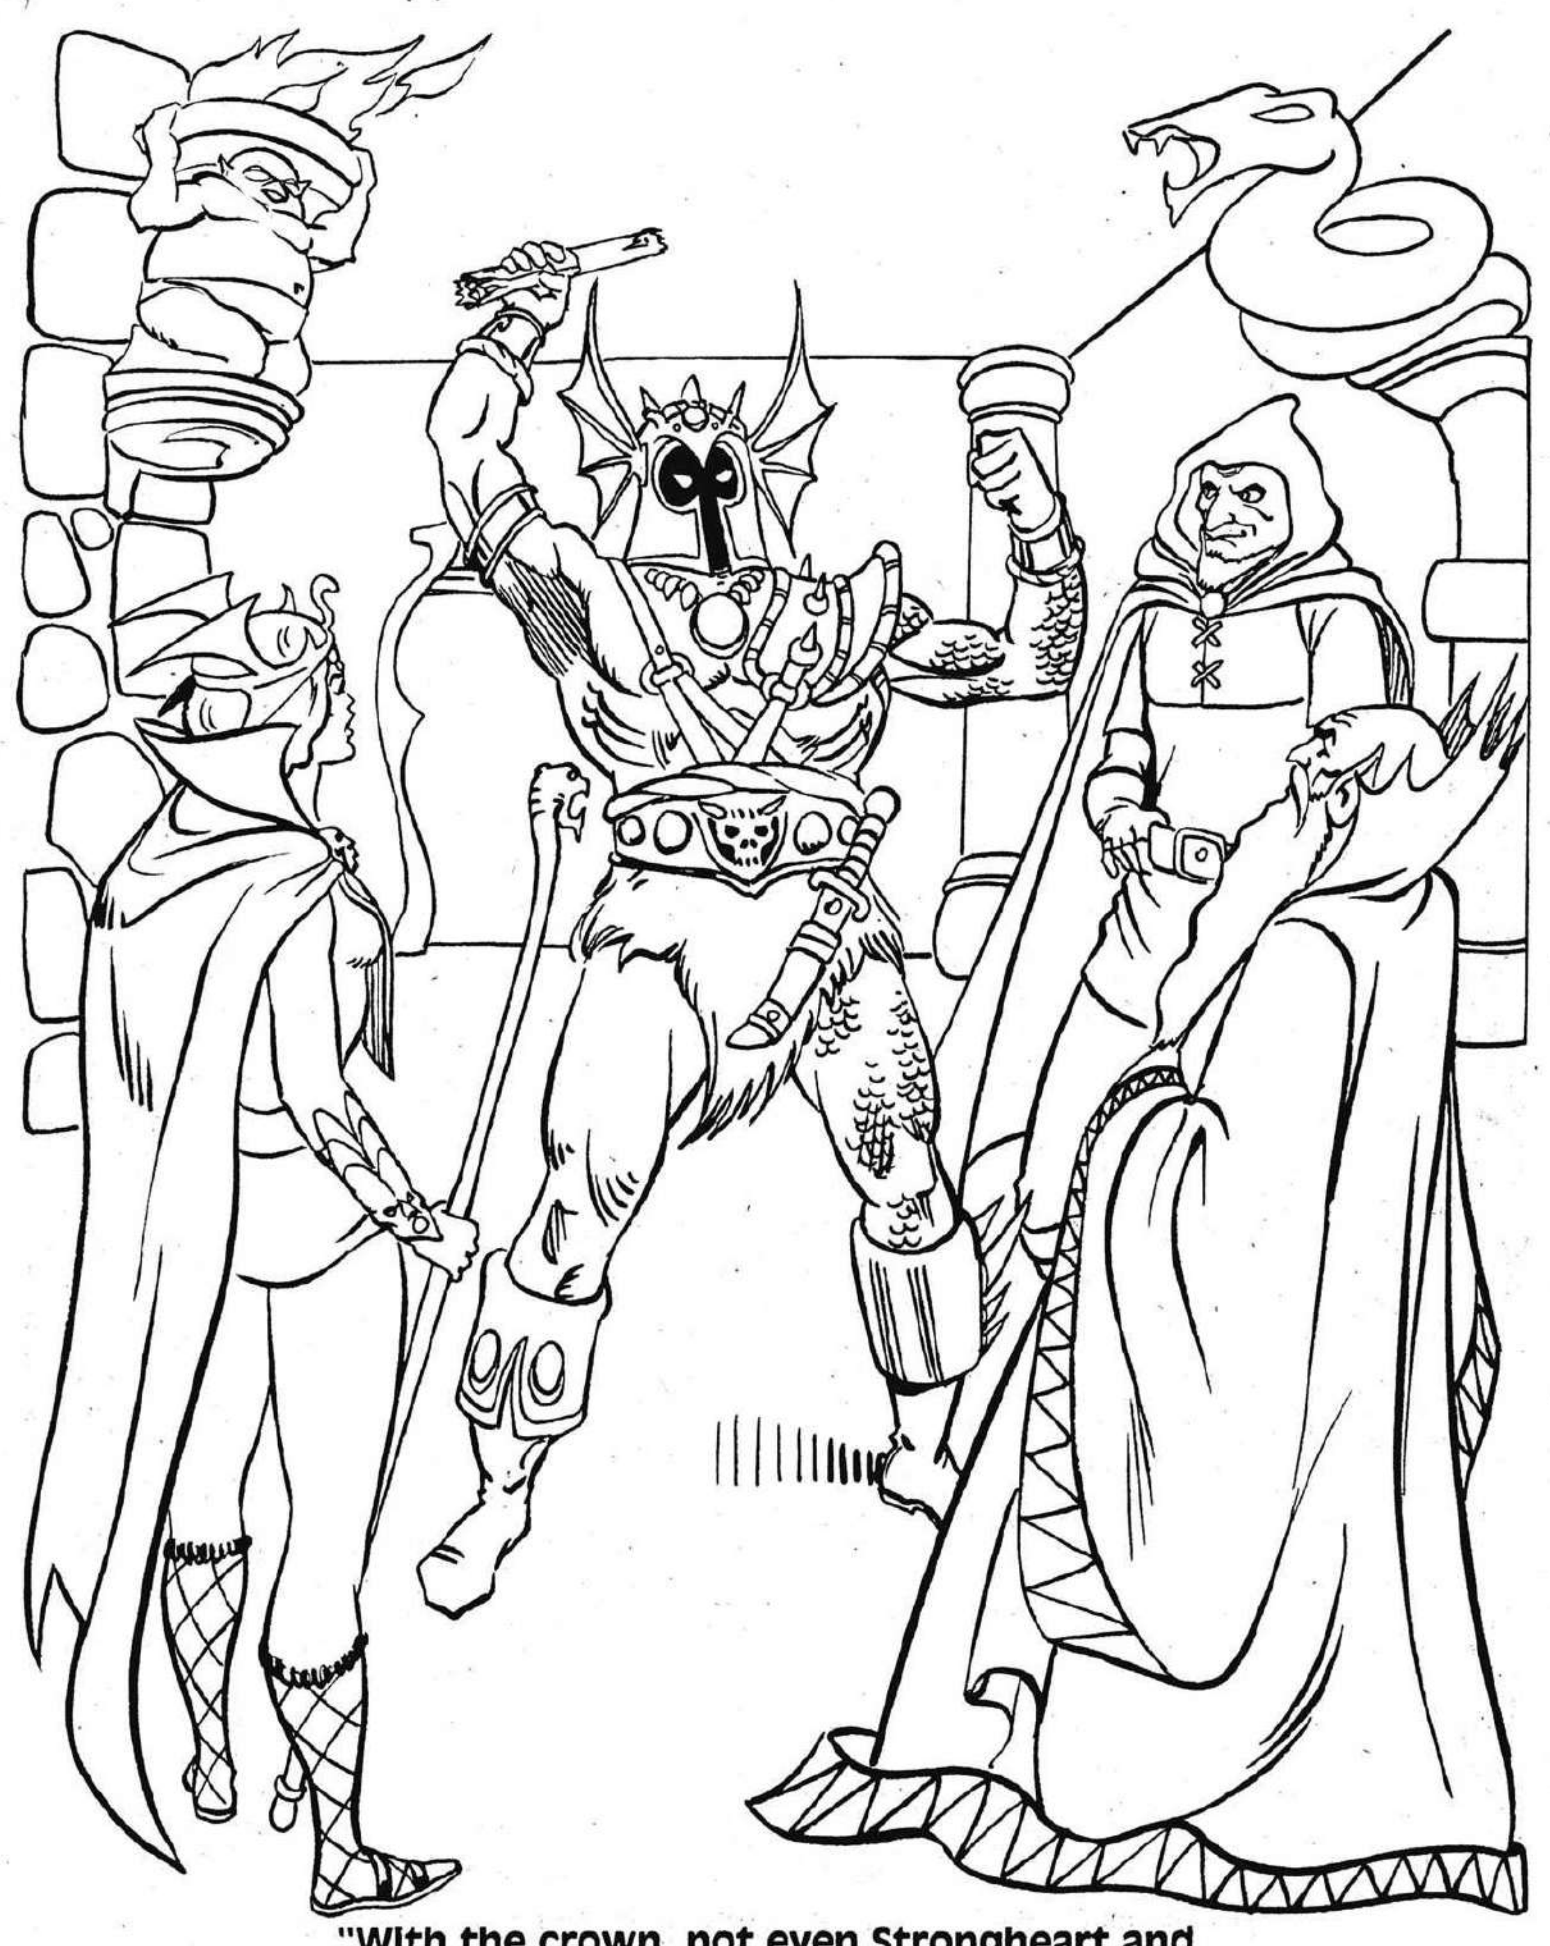

"We must tell Strongheart!"

"Foxfingers and Raven must not get the crown!" says Strongheart. "We must follow them!"

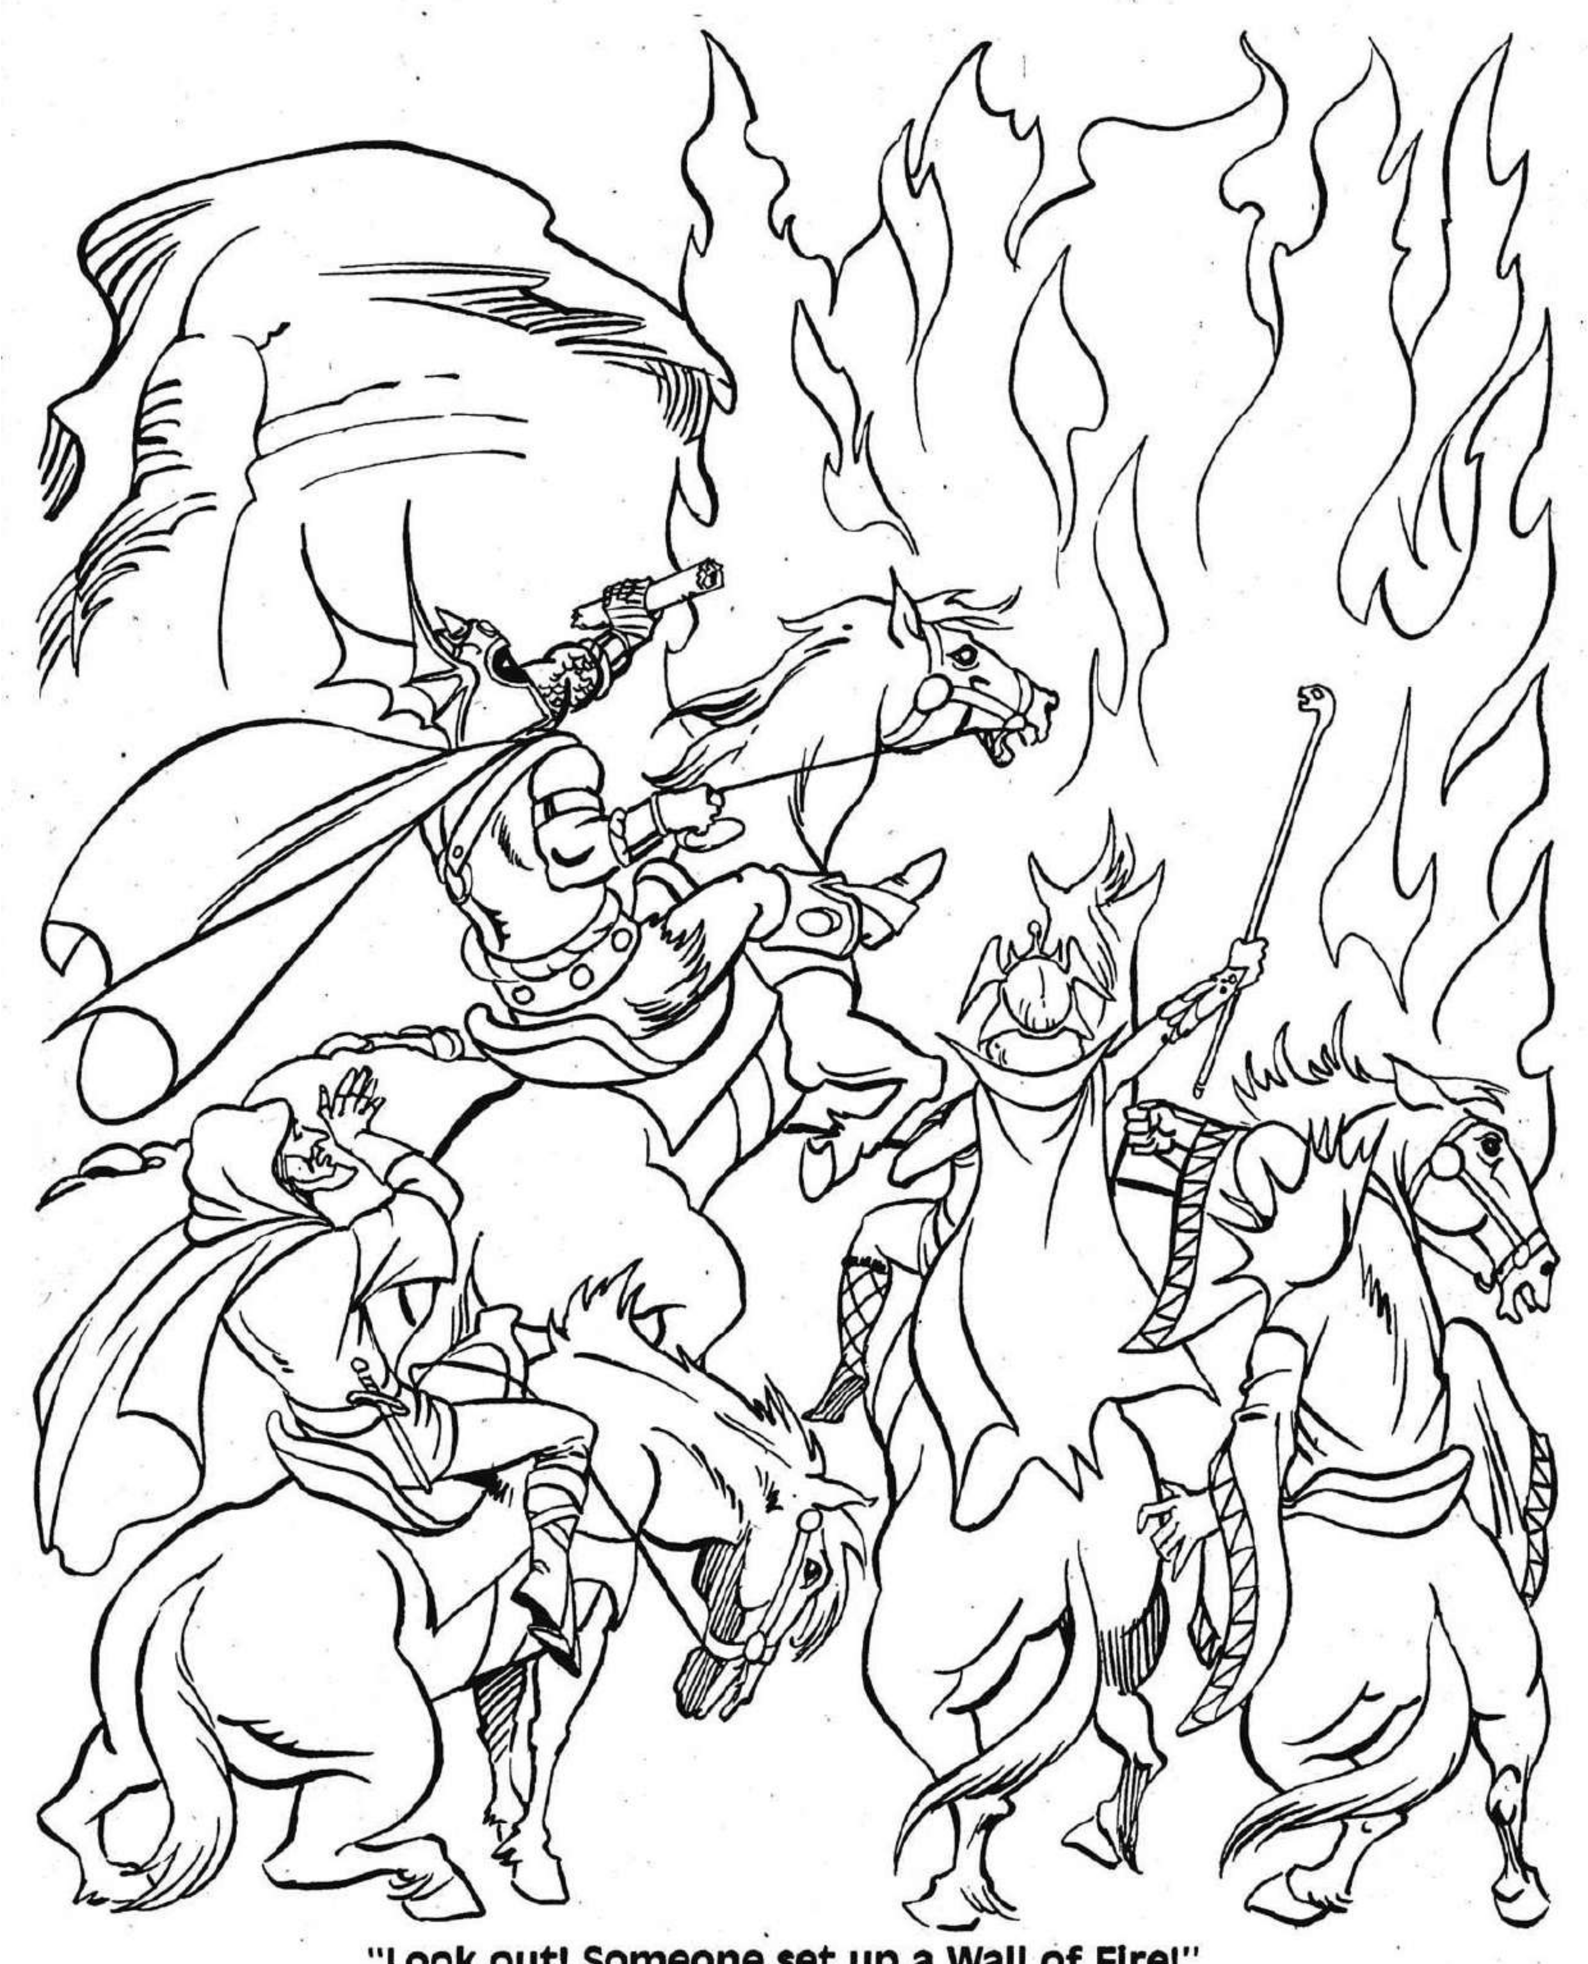

"Of course! I should have guessed Raven and Foxfingers are working with Warduke and Kelek! Look!"

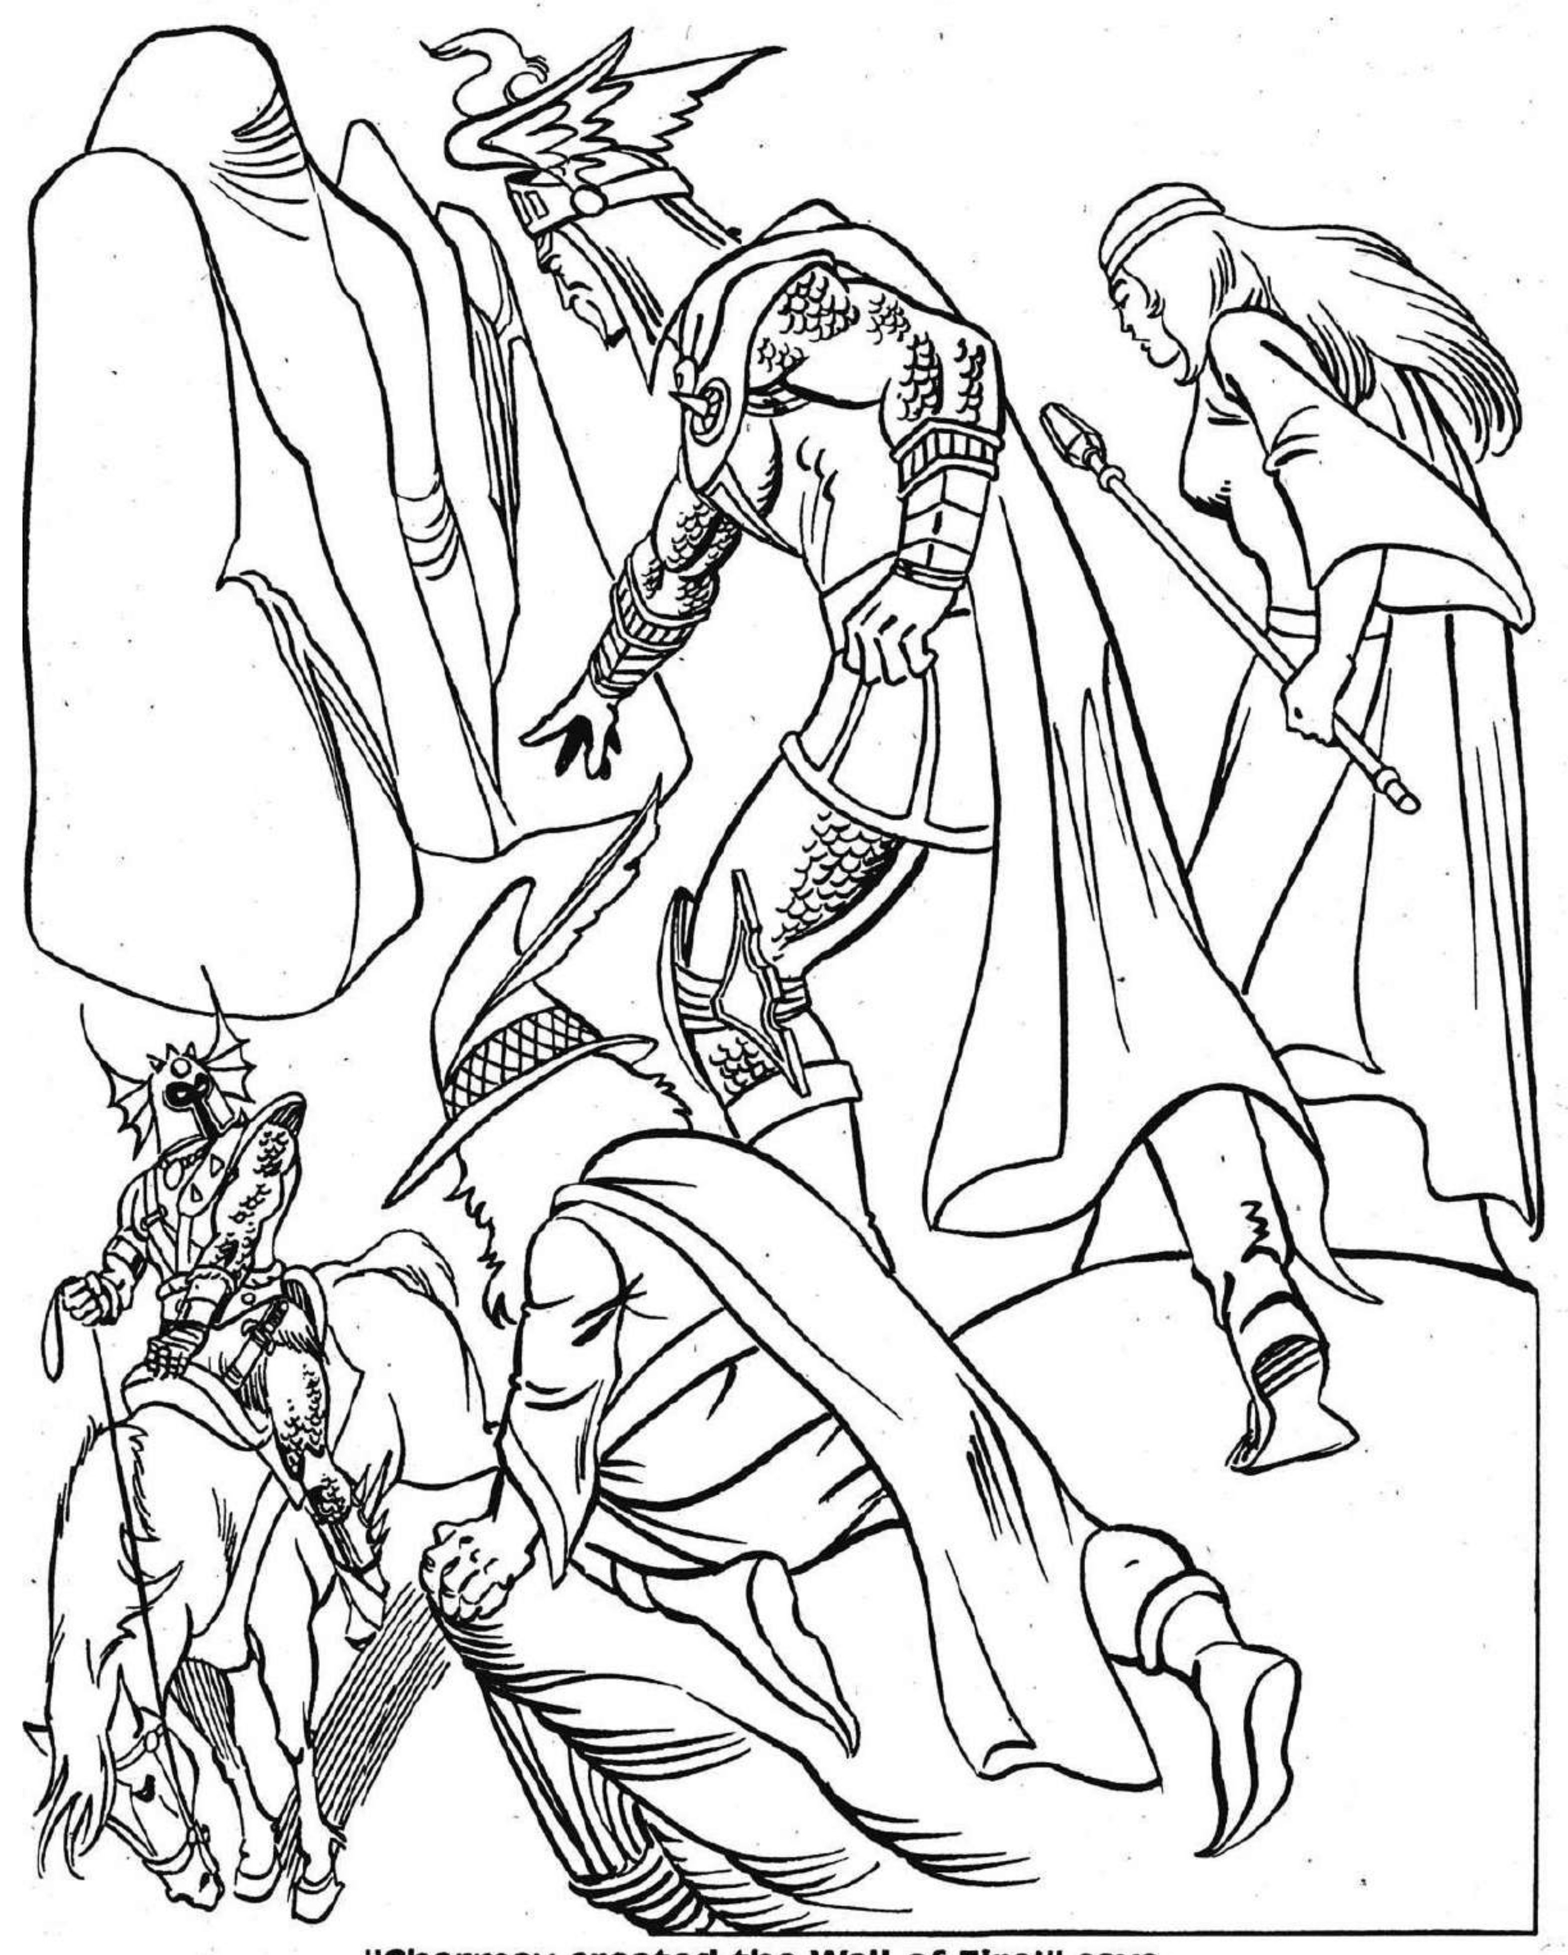

"With the crown, not even Strongheart and his friends can stop us!" laughs Warduke.

"We must find the crown quickly, before Strongheart has a chance to ruin our plans!" says Warduke.

"Look out! Someone set up a Wall of Fire!"

"Charmay created the Wall of Fire!" says Strongheart. "Give us back the map!"

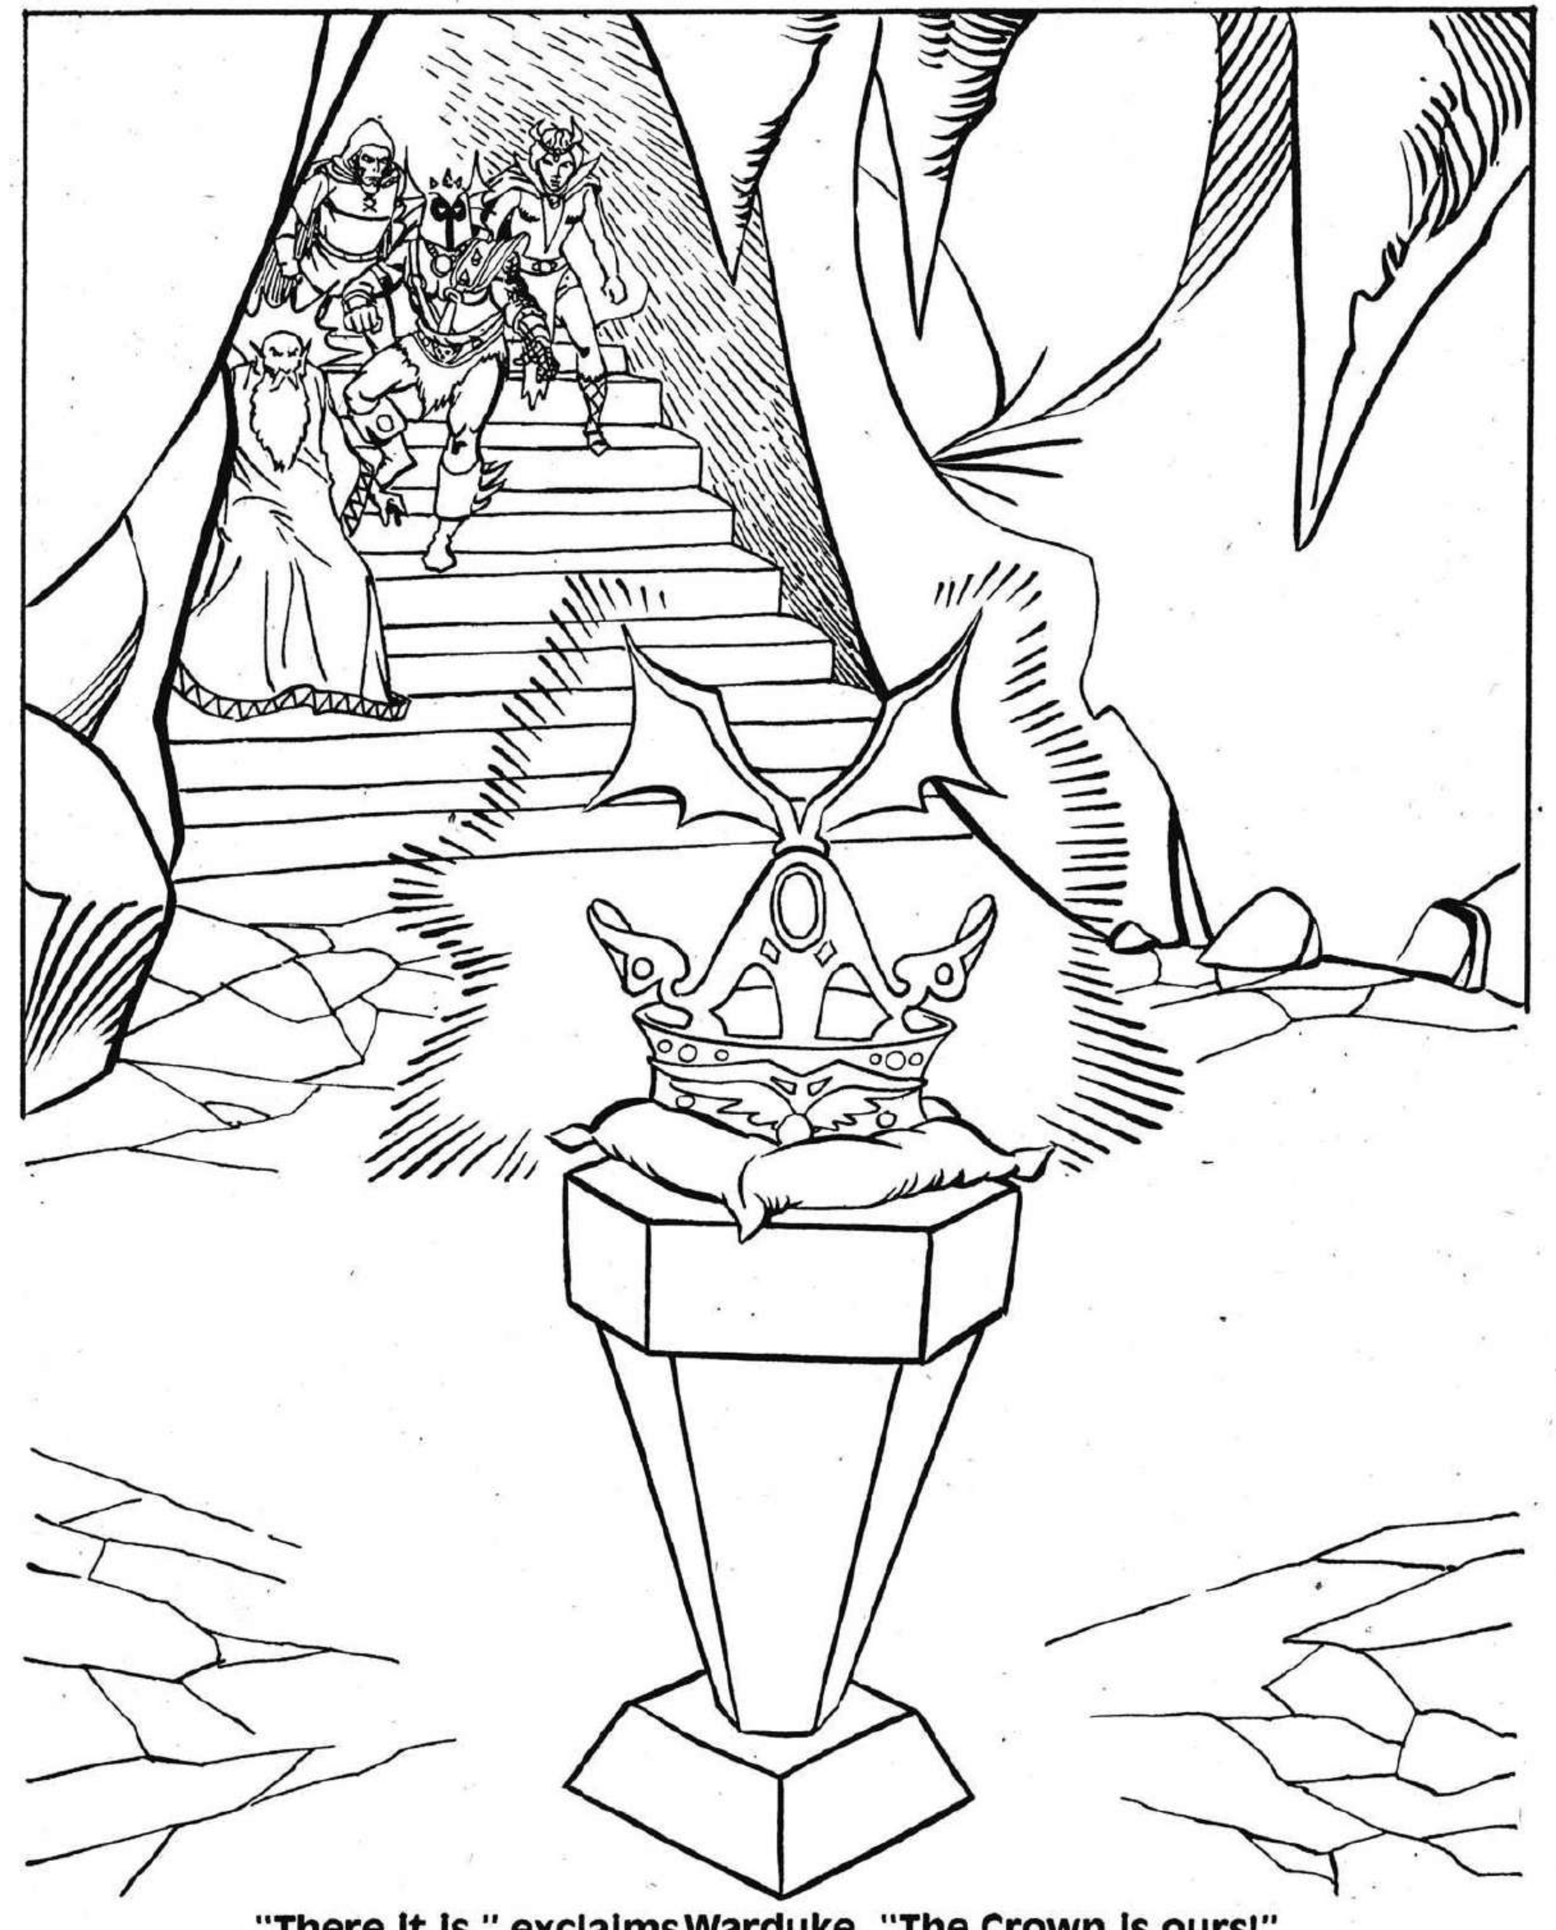

"I will turn this rock to mud! Follow me." says Kelek, the sorcerer.

"A passage has opened in the rock," says Strongheart. "Let's follow!" "We can't," says Garn. "A green fog is blocking our way."

"That looks like a stinking cloud spell," says Charmay.
"My magic gust of wind will clear the air."

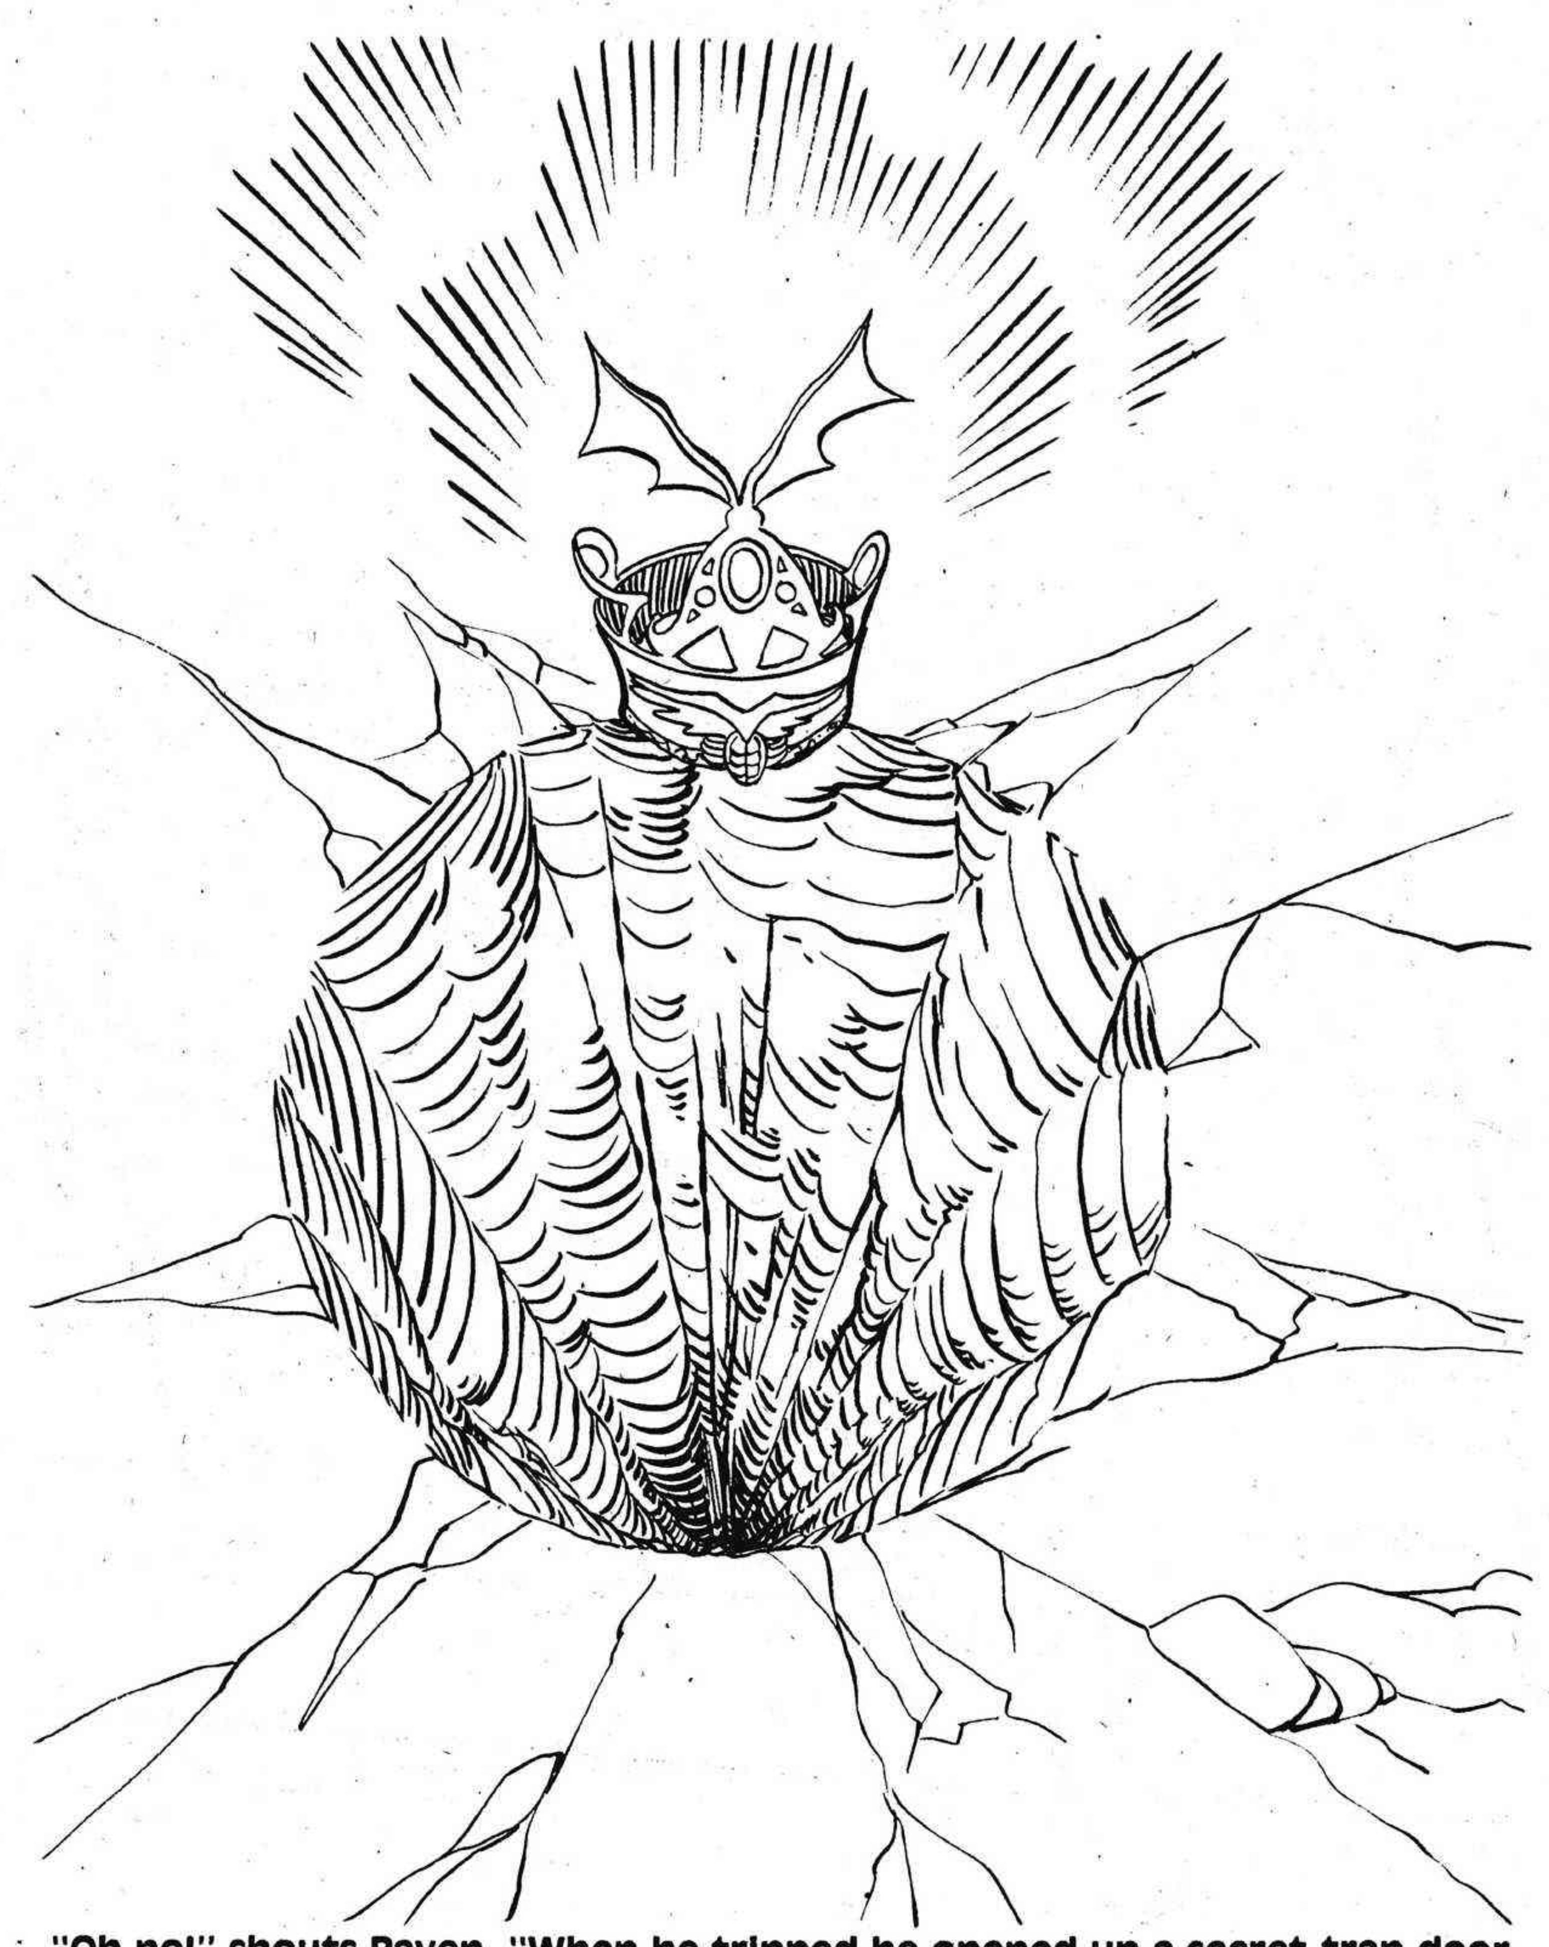

"There it is," exclaims Warduke. "The Crown is ours!"

"Soon I will rule the world," he says with a leer.

"I stole the map," says Foxfingers. "The crown will be mine!"

"Oh no!" shouts Raven. "When he tripped he opened up a secret trap door. If the crown falls into that bottomless pit, it will be lost forever!"

"Surrender, Warduke!" shouts Strongheart. "You'll never get the crown so long as we live!"

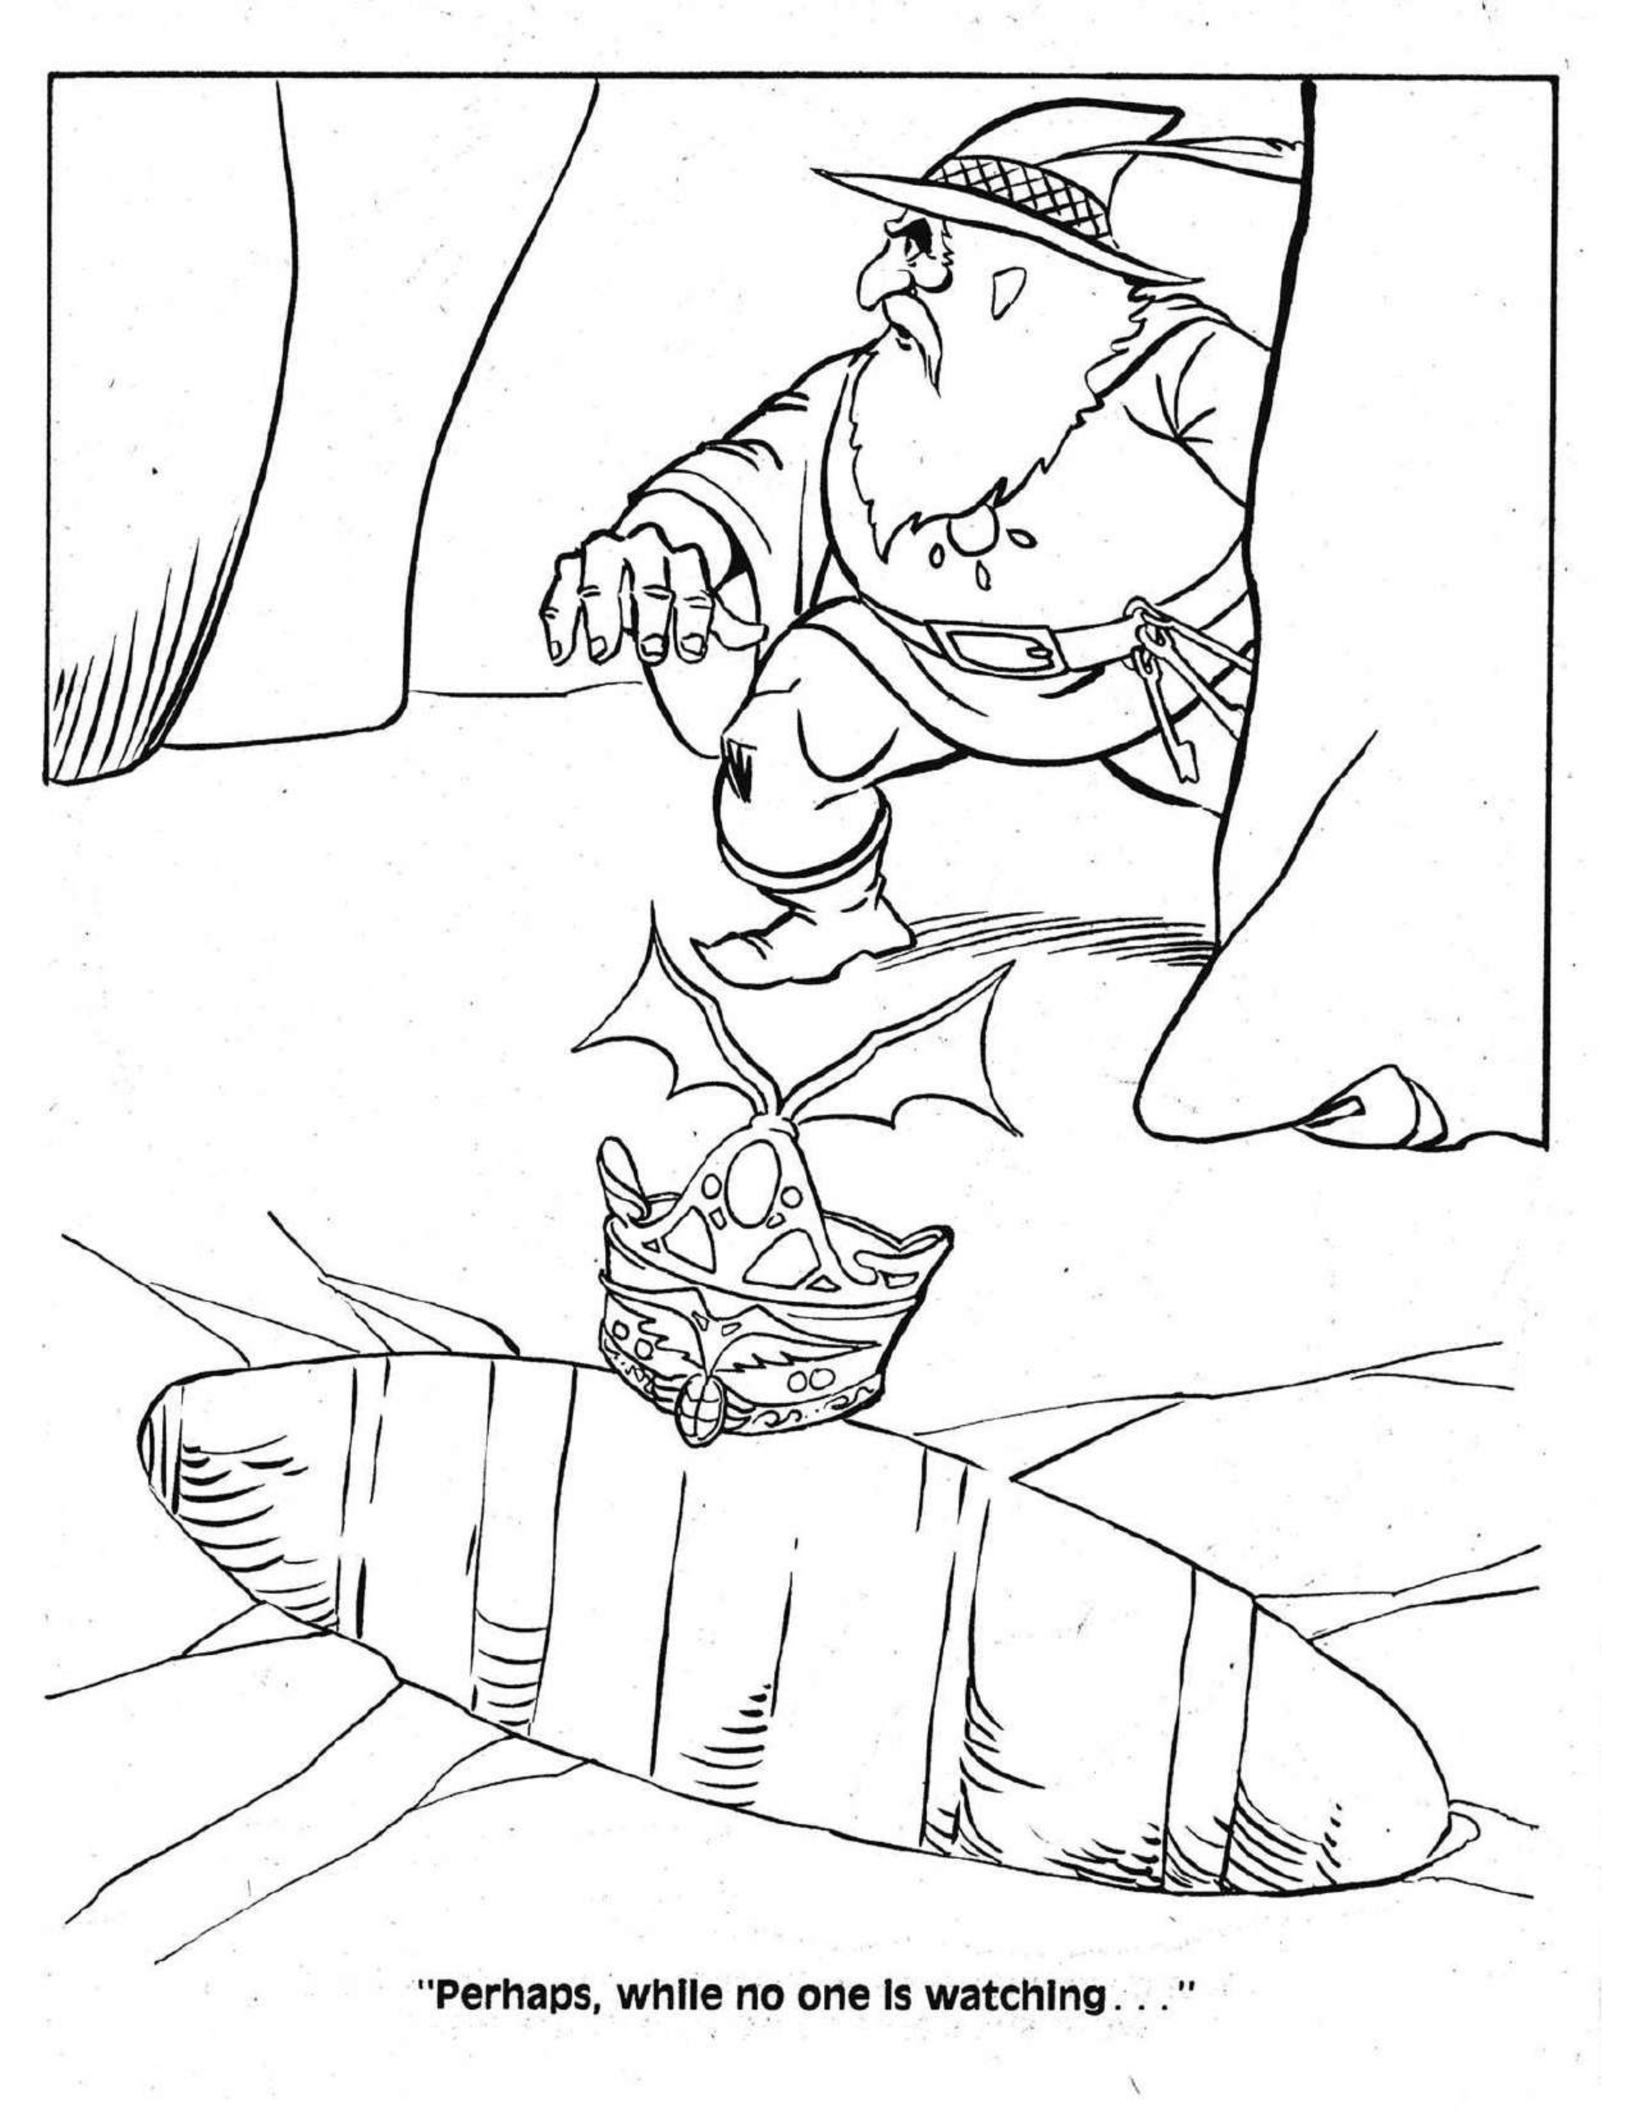

"Then it will be a fight to the finish," cries Warduke.
"For the crown will be mine."

"Come gargoyles and do my bidding." Kelek chants.

The gargoyles attack Charmay, but with a magic
word she's able to hold them to a spot.

"Perhaps, while no one is watching. . ."

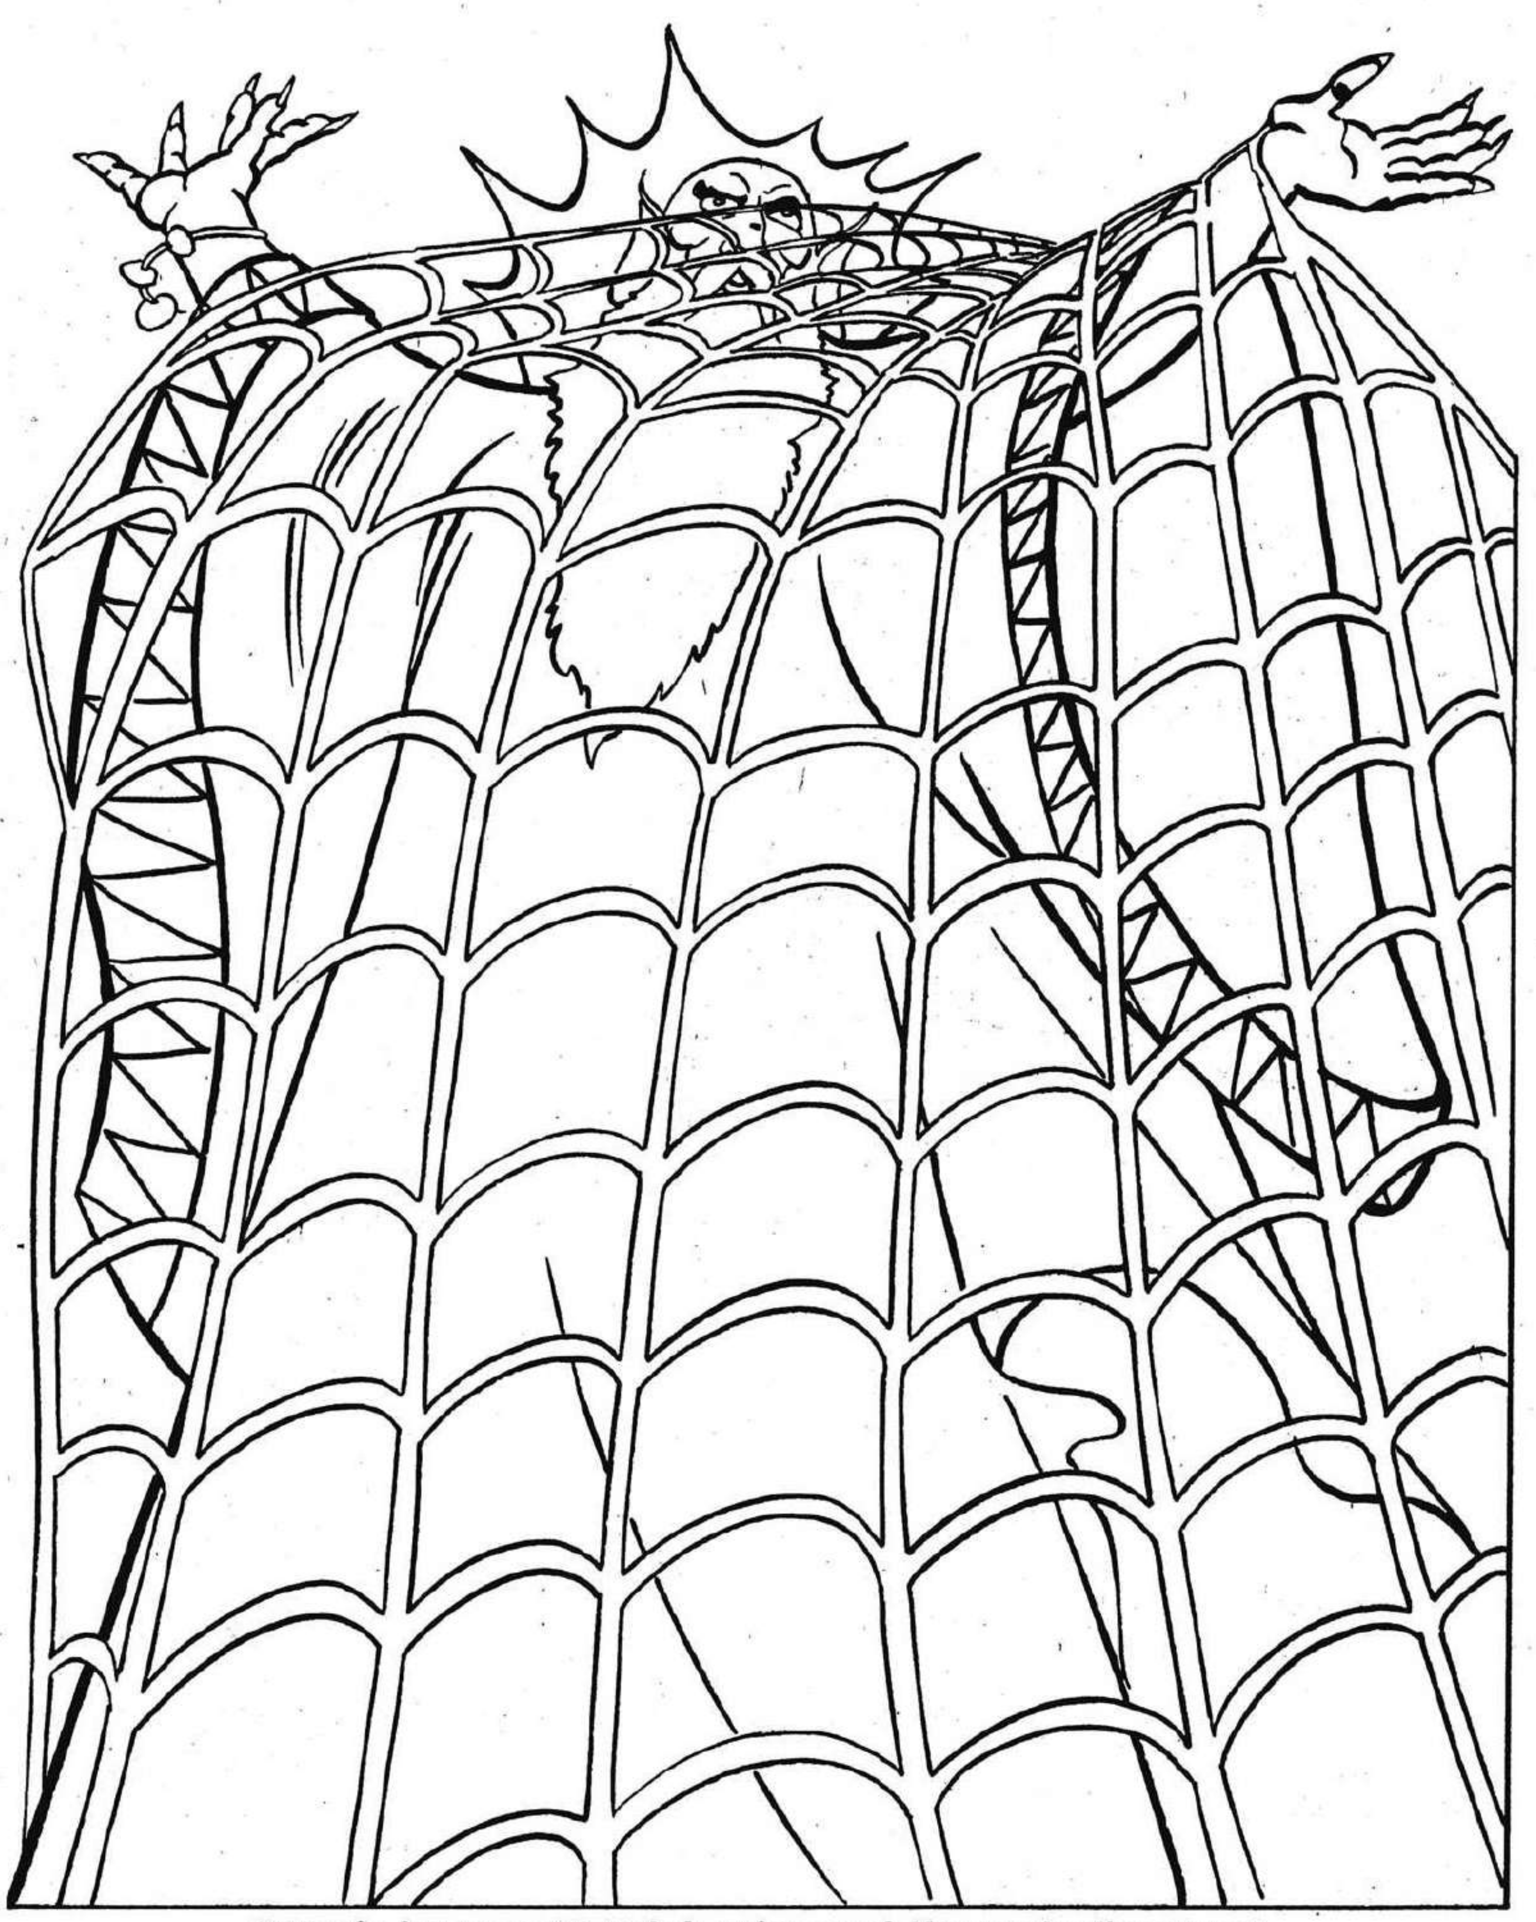

"Not so fast, little man. This rope will tie you up."

"My web spell will tie you up first!" says Charmay.

"The crown can still be mine," mutters Foxfingers.

"Magic be gone!" Kelek cries and the web dissolves!

FREE!

"Now to make my escape. . ."

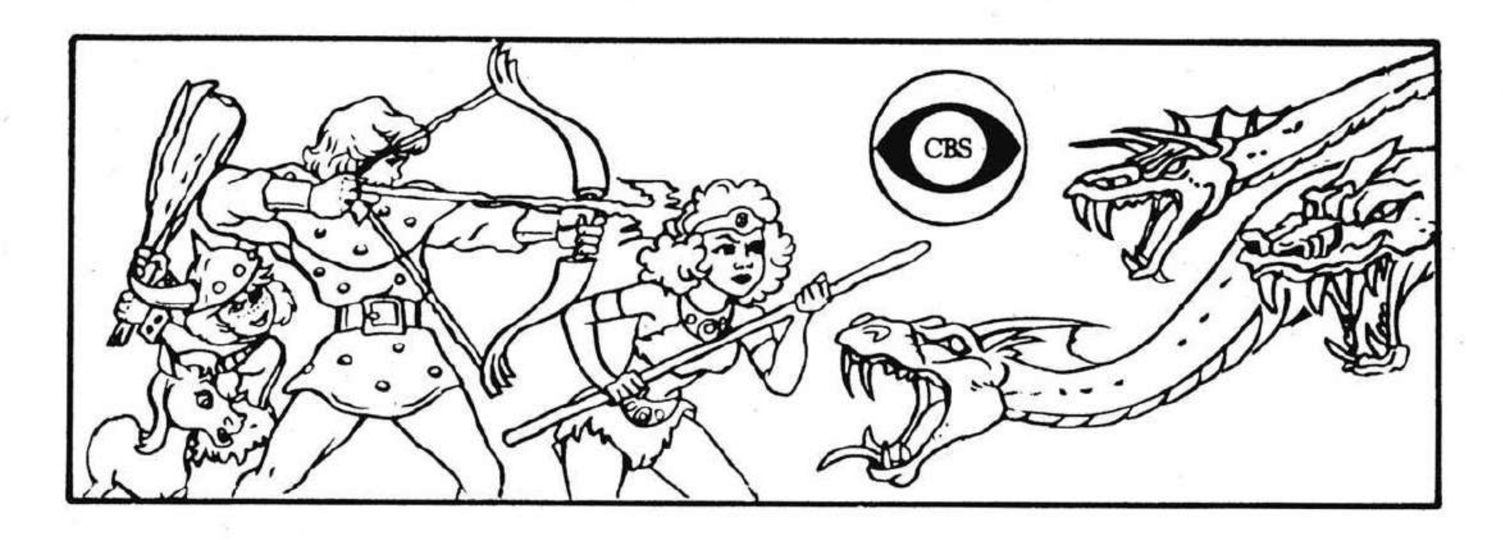

"Better to lose the crown forever than
to let it fall into evil hands," Garn says.

"The Crown is gone," says Warduke. "We have no reason to fight each other — for now."
